To the Parents of:

The middle school is excited about bringing you parent access to grades and attendance in powerschool. Parents are a key to student academic success. Hopefully this will help you support your child in learning.

After getting set up, you will be able to access current grades and attendance for your student via virtually any computer with internet access. If you do not have internet access at home or at work you can utilize computers at the Marsing Resource Center as well as at the Lizard Butte Public Library. In the near future we plan to set up a computer in the middle school library primarily for parents to use in accessing powerschool. Please don't be afraid to ask for help if you need it.

If you would like to comment on this please email Mr. Webster or Mrs. Dines at pwebster@marsingschools.org / kdines@marsingschools.org or call us at (208) 896-4111 x397.

Please read the following user agreement for parents. Sign and cut off the bottom. After being trained you will be provided with your username and password to access the information about your student.

Powerschool Parent Access User Agreement:

- 1) I understand that the information in Powerschool is for informational purposes to help me support my child in his/her education.
- 2) I understand that grades in each class will be updated at least every 10 days. They may not reflect assignments turned in within the past couple days.
- 3) I will do my best to communicate in a positive manner.
- 4) I understand that security on this system is a high priority. If a user thinks he/she can identify a security problem on the network, the user must notify a system administrator or teacher.
- 5) I will protect my usernames and passwords. I should not even give these to my kids, as they will have their own usernames and passwords. I understand that Powerschool keeps a record of which users are connected at which times.
- 6) I understand that violations of this agreement will result in loss of access privileges to Powerschool.
